

ACT 12-Session Course Schedules

Bloomfield Hills

This course consists of 12 sessions each 2 hours long (except where noted). This course focuses on what concepts students will see on the ACT and how they are tested. Strategies for each of the four sections are also emphasized. We will also cover the essay component of the test. Students are encouraged to return for free additional prep (including individual tutoring) whenever they take the ACT. All materials, including supplementary material, are included. Results are guaranteed. **Cost: \$595**

SAT Combination options:

- Add three hours of PSAT/SAT tutoring for \$100 when purchasing any 12-session ACT course. The tutoring will cover the areas especially unique to the SAT as well as specific strategies suited only for the SAT. Practice material will also be provided. *or*
- Add 7-session SAT course for \$200 (Gold Package)

Students may mix and match schedules. Make-ups may be done in another scheduled class or one-on-one with an instructor.
