

Bloomfield Hills 12-Session ACT/SAT Class Schedules (\$795)

THESE ARE LIVE CLASSES!

6785 Telegraph Rd, Suite 275, Bloomfield Hills, 48301 (phone: 248-647-8378)

The course is designed primarily to prepare students to take *both* the ACT and SAT. The content of both tests is currently very similar, so the course will prepare students for the “paper” version of the SAT and ACT. You should understand, however, that we strongly believe the ACT is, by far, the easier test in terms of preparing and actually raising scores, so we do focus more on ACT. We do ACT tests in class, but SAT tests are available for students who wish to take them instead of ACT tests. We do offer a free SAT Math session for anyone focusing on just SAT which we mention in class. There is much more Algebra on the SAT than the ACT.

NOTES: 1. You may mix and match class schedules. Most sessions do not need to be done in order. 2. You may repeat part or all of the class for free anytime. 3. Sessions 1,6, and 12 are practice tests. You may reschedule the tests for your convenience or do them at home with permission. 4. If you miss a class you can make it up in another class or schedule a time with the instructor. 5. You are entitled to FREE TUTORING as long as you need it if enrolled in the 12-session course. 6. You may ask for an extra SAT math session if focus is “paper” version of the SAT. 7. All materials included as well as extra practice
