# Bloomfield Hills 7-Session ACT/SAT Class Schedules (\$425)

These classes meet at our main office:

6785 Telegraph Rd, Suite 275, Bloomfield Hills, 48301

The course is designed primarily to prepare students to take *both* the ACT and SAT. The content of both tests is now very similar, so the course will prepare students for the SAT and PSAT, and, ACT. You should understand, however, that we strongly believe the ACT is, by far, the easier test in terms of preparing and actually raising scores, so we do focus more on ACT. We do ACT tests in class, but SAT tests are available for students who wish to take them instead of ACT tests. We do offer a free SAT Math session for anyone focusing on just SAT which we mention in class. There is much more Algebra on the SAT than the ACT.

**NOTES:** 1. You may mix and match class schedules. Most sessions do not need to be done in order. 2. You may repeat part or all of the class for free anytime. 3. Sessions 1 and 6 are practice tests. You may reschedule the tests for your convenience or do them at home with permission. 4. If you miss a class you can make it up in another class or schedule a time with the instructor. 5. You may pay the difference at the end of class 7 and continue on with the 12-session course. 6. You may ask for an extra SAT math session if focus is the SAT. 7. All materials included.

# Bloomfield Hills SAT ONLY Class Schedules (\$425)

These classes meet at our main office:

6785 Telegraph Rd, Suite 275, Bloomfield Hills, 48301

The course is designed primarily to prepare students to take only the SAT. Even though every college in the country accepts either SAT or ACT, some students perform better on the SAT, and there may be scholarships based on SAT scores.

The SAT is half math, and the math consists primarily of Algebra. The Reading is more difficult than the ACT, but the timing is easier. The SAT Writing test is nearly identical to the ACT English test.

**NOTES:** 1. You may repeat part or all of the class for free anytime. 2. You may reschedule the practice tests for your convenience or do them at home with permission. 3. If you miss a class you can make it up in another class or schedule a time with the instructor. 4. This class will also prepare students for the PSAT. 5. All materials included. 6. You may do this class in addition to our combo class and receive a discount.
