We've been teaching ACT and SAT courses since your parents were in high school. Our ACT course is the world's greatest. In fact, it's so good, high schools call us to run classes at their schools. And we come back year after year. We've run classes at Regina High School and Notre Dame Prep, among others, since 1996. If high schools trust us to teach the ACT, so can you!

All our courses will also prepare students for the new ACT format beginning online in April, 2025 and on paper beginning September, 2025
